

claims. A substitute computer readable form ("CRF"), paper copy of the Sequence Listing, and Statement that the content of the Sequence Listing information recorded in the CRF is identical to the written Sequence Listing is then requested to correct the error. The error regarding SEQ ID NO:8, however, is in the claim and not the Sequence Listing. Claim 12 should have referred to SEQ ID NO:9, and has been so amended herein. SEQ ID NO:11 is referred to as a protein sequence in both the claim and in the Sequence Listing submitted October 24, 2002 (copy attached).

Applicants respectfully submit that the above-identified application is now in condition for allowance and request early notification of the same.

Attached hereto is a marked-up version of the changes made to a claim and the specification by the current Amendment. The attached page is captioned "**Version With Markings to Show Changes Made.**"

Respectfully submitted,
